

KID'S

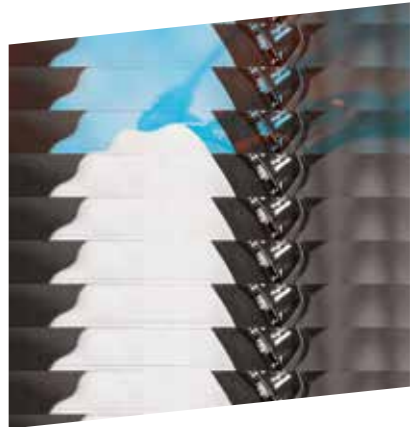

We love riding, plain and simple. So when we decided to build kids' bikes, we engineered the bikes we'd want to ride if we could go back in time. High performance bikes, with features and technology drawn straight from the bikes we're riding now. Bikes that are so light, so stable, so easy and fun to ride that they're bound to create a love of riding that will last a lifetime. Around the office, we refer to these little Cannondales as "Heir-dales" because they really are engineered to pass something on to the next generation, something truly valuable...the love of the ride. Pass it on.

2015 KID'S LINE UP

Cannondale's high-performance heritage is evident throughout our new kids' line. Ultra light alloy frames with oversized head tubes and smooth welds. Vibration-absorbing seat stays. Lightweight alloy components. Internally-routed rear brake cables for a clean look and no pinched fingers. Custom comfort saddles. Race-inspired graphics. It all adds up to bikes that are truly a cut above. They should be. They're Cannondales.

KID'S 24"

RACE 24

The name says it all. With its featherweight, durable frame, air-sprung front fork, wide-range 21-speed gearing and light, powerful V-brakes, the RACE 24 is designed to help aspiring racers take their game to the next level. Available in 2 frame sizes for the perfect fit.

KID'S 20"

TRAIL 20

For those ready to step up to the freedom and expanded range that gears provide, the light and zippy TRAIL 20 is the perfect option. Its lightweight alloy frame, 6-speed gearing and rugged suspension fork tame trails from park to playground.

SIZE FINDER

AGE	INSEAM RANGE	KIDS MODEL (BOYS AND GIRLS)	STANDOVER	SEAT TUBE LENGTH
9-13	62-76 cm / 24.4 - 30 in	24" wheel, LG (Race 24 model only)	61.0 cm / 24.0 in	34.0 cm / 13.4 in
8-11	59-72 cm / 23.2-28.3 in	24" wheel (Race 24 MD, Trail 24, Street 24)	58.0 cm / 22.8 in	31.0 cm / 12.2 in
